The AID is an industry body whose membership is comprised of Professional Ballroom Dancers. We encourage all qualified Professionals who are interested in becoming members of AID to contact us ([secretary@aidance.org.au](mailto:secretary@aidance.org.au)) to find out more about the benefits of membership with the AID

# ORGANISER'S MESSAGE

When we set out on this crazy little adventure we hoped to capture the majesty, madness and magic of Ballroom Dancing that has so enthralled both of us for the majority of our lives.

This year we are honoured that the City of Perth has chosen to join us as our naming rights sponsor. In our mind's there is no better place to live, work and play than in Perth and we hope that this partnership will be the start of a long relationship that helps put Perth on the map as a go-to destination for Ballroom Dancing across the globe.

We welcome Deputy Lord Mayor of the City of Perth, Councillor Liam Gobbert, to the PBC this year. We trust you will enjoy the experience of seeing some of Australia's leading dancers take to the floor.

To our sponsors, thank you for your trust in us to deliver a day worthy of representing you. To other dance professionals and especially studio owners, thank you for your efforts to prepare and bring your students to PBC. And to the competitors, thank you for the countless hours of practice and lessons that you have dedicated to being ready for today's competition.

Now in our sixth year of running the PBC, we are so pleased with how our little 'baby' has grown. Our event is now attracting visitors from all across Australia. Welcome to our beautiful home, we hope we can deliver to you a day of dancing that is as fulfilling as any other that you may find elsewhere in the world.

We would like to take the opportunity to also give a special thanks to our long suffering families. They have been the strength behind us in every challenge and trial we have taken on so far, and this event is no exception.

Ballroom Dancing is a pursuit like none other. For sure to travel down its path is not an easy one, and a lifetime in dance has presented us with challenges that most would not suffer. But we would not change our experiences for anything in the world, they have shaped us to who we are today and we hope that through the PBC we can inspire others to see the value that dance can offer to themselves, those around them and the wider community.

Happy Dancing,

Joanne de Jager & Jack Johnson
